

Mr. Martin Sarungi

Faculty profile

Mr. Martin Sarungi, MD, FRCS

Orthopaedic Consultant, Golden Jubilee National Hospital

Martin Sarungi joined the Golden Jubilee National Hospital as an Orthopaedic Consultant in July 2005. He has been appointed as Clinical Lead since July 2011.

Prior to joining the department, Martin spent a number of years training in Budapest and London. He completed 6 months AO/ASIF Fellowship in Trauma Surgery and Orthopaedics in Switzerland. He is specialized in primary and revision lower limb arthroplasty. His research interests include biomechanical in-vitro analysis of implant migration and wear, outcome assessment analysis in lower limb arthroplasty and computer-assisted total knee arthroplasty.

He has published several peer reviewed publications about lower limb arthroplasty, and wrote a book chapter on total hip replacement in a book published in Switzerland.
